ROUTINE NOTES.

Sir,

Jurisdictions of Special magistrates maintained with Board may be entered in the Power Register. As for publication in the Civil List the jurisdiction of Civil Courts also would have to be published if the jurisdiction of the Magistrates is to be published. Perhaps this will swell the Civil List. Recently the Civil List was much curtailed and it is for orders whether a separate chapter is to be opened and jurisdictions published.

CONFIDENTIAL

CHIEF COURT OF MYSORE

Telegraphic Address. "JUSTICE"

Bangalore, dated 3rd July 1923.

R.O.C. No. 1489/22-23. Confidential

FROM

A. SREENIVASARAGAVACHARI, ESQ., B.,A., B.L.,
Registrar, Chief Court of Mysore.

To

K. M a t t h a n, Esq., B.A.,
Chief Secretary to the Government of His Highness the Maharaja of Mysore,
B a n g a l o r e.

SIR,

I am directed to state that the District Magistrate of Mysore had, in his confidential letter No. T/2 dated the 7th June 1923, submitted certain proposals for effecting changes in the jurisdiction of the Special Magistrates' Courts of Nanjangud and Hunsur and for a change in the personnel of the presiding Magistrates. He based his recommendations on the grounds that the Nanjangud Sub Division was by far the heaviest criminal division in his District, that the posting of a 1st class Magistrate thereto would give appreciable relief to the 1st grade Magistrate, Mysore, and that a lighter charge would be more suitable for Mr. Puttaraj Urs, Special 2nd grade Magistrate, Nanjangud, judging by the work done by this officer.

The District Magistrate was thereupon asked in this office letter No. R.O.C.1489/22-23 dated 11th June 1923 to furnish certain statistics and to consider whether his proposal would not make the work too heavy for the Special Magistrate, Nanjangud and too light for the Special Magistrate at Hunsur. In his letter No.R.O.C.1616 (2) / 22-23 dated 27th June 1923 the District Magistrate, besides furnishing statistics for the past three years, has submitted revised proposals, the principal modification being the transfer of

jurisdiction

jurisdiction over the 1st, 2nd and 3rd class cases of the T. Narsipur taluk to the Special 1st Grade Magistrate, Mysore, with a view to equalise the work of the Special Magistrates at Nanjangud and Mysore. He also considers that this modification would be welcomed by the people of the T. Narsipur taluk who would prefer to go to Mysore rather than to Nanjangud for their cases.

The statistics furnished by the District Magistrate show that under his revised proposal the work of the Special Magistrate, Nanjangud, will not be too heavy to be coped with by a single court, although there may be a slight reduction of work in the court of the Special Magistrate, Hunsur.

I am to state that in the opinion of the Chief Court the District Magistrate's revised proposal will materially improve the existing distribution of jurisdiction in the Mysore District, and to recommend that it may be given effect to. The opportunity may, it is suggested, be taken to transfer Mr. -- Vedavyasachar, who is now the 1st Class Magistrate at Hunsur; to Nanjangud in place of Mr. Puttaraj Urs, who may be transferred to Hunsur as recommended by the District Magistrate.

Copies of correspondence are herewith enclosed for the information of Government.

I have the honour to be,

S i r,

Your most obedient servant,

Sheenivasa Rao 5/7/23

CONFIDENTIAL.

Letter No.T/2 dated 7th June 1923 from the District Magistrate, Mysore District to the Registrar of the Chief Court of Mysore, Bangalore.

****

I have the honour to submit the following proposals for effecting certain changes in the jurisdiction of the Special Magistrates' Courts of Nanjangud and Hunsur and for a change of the presiding Magistrates.

Mr. V. Vedavyasachar is now the Special Magistrate at Hunsur, and has quite recently been invested with first class powers with the jurisdiction of first and second class cases arising in the Taluks of Hunsur, Heggadadevankote and Yedatore. Mr. R. Puttaraj Urs is the Special Magistrate at Nanjangud with jurisdiction over second class cases of the taluks of the Nanjangud Revenue Sub Division including Yelandur taluk. The latter Sub Division comprising the taluks of Nanjangud; Gundlupet, Chamarajanagar, T. Narsipur and Yelandur is also the most heavy criminal division in the District, and the posting of a first class Magistrate to that Sub Division would be a measure of great convenience and also give appreciable relief to the first class Magistrate in Mysore. I may also mention, having watched the work of Mr. Puttaraj Urs in the Nanjangud Division for some months past, that it has appeared to me that a lighter charge would be more suitable to him for some time at least.

In these circumstances, I beg to propose

1) the transfer of Mr. Vedavyasachar from the Hunsur to Nanjangud Court;

2) the investing of jurisdiction over all the first and second class cases of the taluks of the Nanjangud Sub Division to the Nanjangud Magistrate;

and

and (2) the transfer of Mr. Puttaraj Urs from the Nanjangud to the Hunsur Court, with jurisdiction over all the second class cases arising in the taluks of Hunsur, Heggadadevankote and Yedatore.

If it is considered feasible to transfer Mr. Puttaraj Urs from this District and send any other Magistrate to Hunsur, I have no objection.

I request that very early orders may kindly be obtained on the above proposals.

I have, etc.,
Sd/ B. Ramaswamaiya,
District Magistrate, Mysore District.

Docket No.R.O.J.1429/22-23 dated 11th June 1923 from the Registrar, Chief Court of Mysore, Bangalore to the District Magistrate, Mysore.

With reference to his Confidential letter No.T/2 dated the 7th instant, submitting certain proposals for changes in the jurisdiction of the Special Magistrates' Courts of Nanjangud and Hunsur, has the honour to request further information and opinion on the following points:--

(1) The number of first, second and third class cases (to be shown separately) instituted from the taluks of Nanjangud, Gundlupet, Chamarajanagar, T.Narsipur and Yelandur during 1920-21, 1921-22 and 1922-23.

(2) The number of first, second and third class cases (to be shown separately) instituted from the taluks of Hunsur, Heggadadevankote and Yedatore during 1920-21, 1921-22 and 1922-23.

(3) Whether his proposal will not involve too heavy a work for the Special Magistrate's Court, Nanjangud and too light a one for the Special Magistrate's Court at Hunsur.

(4) Whether the Special Grade Magistrate at Nanjangud can cope with the extra work.

(5) What is the present file of institutions and disposals of the Special First Grade Magistrate's Court, Mysore, and what relief he is likely to have if the District Magistrate's proposal is sanctioned.

Registrar, Chief Court.

III. Letter No.R.O.C.1616(2)/ J.22-23 dated 27th June 1923 from the District Magistrate and Deputy Commissioner Mysore District to the Registrar of the Chief Court of Mysore, Bangalore.

With reference to your docket No.R.O.C.1489/22-23 dated the 11th instant, in regard to certain changes in the jurisdiction of the Special Magistrates' Courts of Nanjangud and Hunsur, I have the honour to forward herewith a statement (A) showing the number of first, second and third class cases instituted from the various taluks comprised within the jurisdiction of the abovementioned two Special Magistrates' Courts during the years 1920-21 1921-22 and 1922-23 as desired in clauses (1) and (2) of your letter under reply. The total number of first class cases instituted during the same period in the court of the Special First Class Magistrate, Mysore, from all the

the taluks in the District is also shown in a separate statement (B).

2. With regard to point (3) raised in the letter under reply, I beg to state that it is no doubt true that the proposal made will involve heavier work for the Nanjangud Magistrate's Court, but the Hunsur Magistrate's Court will have no heavier or lighter work than before the investiture of the present presiding Magistrate with first class powers.

3. Next, with reference to point (4), as the Nanjangud Magistrate, will be somewhat heavily worked, a slightly modified arrangement is proposed below.

4. Finally, with regard to the point indicated in (5) the extent of relief given to the Special First Grade Magistrate, Mysore, is also exhibited in the figures which follow.

5. The slightly modified proposal is to transfer the jurisdiction over the first, second and third class cases of the T. Narsipur taluk to the Special First Grade Magistrate, Mysore. This will, while giving relief to the Nanjangud Magistrate, also equalize the work of that Court and of the Special First Grade Magistrate, Mysore, to some extent. The arrangement will also be more convenient to the people in the taluk who would prefer to go to Mysore than to Nanjangud for their cases. The change will, it is believed, be welcomed by the people of the T. Narsipur taluk.

6. For the sake of clearness, the present modified proposals and the statistics of cases on the basis thereof

thereof are set out below :--

(a) Nanjangud Magistrate's Court :

All classes of cases of the taluks of Nanjangud, Gundlupet, Chamarajanagar and Yelandur taluks.

Confidential letter of the Chief Court, (based on the recommendations of the District magistrate of Mysore), to effect an exchange of magistrates between Nanjangud and Hunsur, and to rearrange the jurisdiction of these magistrates is placed below, and is for orders:

The proposal as finally submitted for orders is as follows:-

(1). Transfer of 1st Class cases of Nanjangud, Gundlupet, Chamarajanagar & Yelandur to the magistrate at Nanjangud, and divesting the jurisdiction of the 1st grade magistrate at Mysore, over these cases.

(2) Transfer of 2nd & 3rd Class cases of T. Narasipur from Nanjangud magistrate to the 1st grade magistrate in Mysore.

(3) Retransfer of 1st Class cases of Hunsur, Heggadadevankote and Yedatore to the 1st grade magistrate Mysore.

(4) As a necessary consequence ~~to~~ exchange of places between Messrs Vedavyasa Char and Puttaraj Urs.

The proposal is said to improve/regulate the work of all the Courts.

It may, however, be pointed out that it was only very recently — in fact about two months ago — that on the recommendation of the Dist magistrate, jurisdiction over the the 1st Class cases of Honnur, Heggadadevankote and Yedahalli was transferred to the Honnur magistrate, who was invested with 1st Class powers.

The present proposals, involve change of jurisdiction of all the magistrates, and if adopted will entail a lot of inconvenience to parties, apart from a number of De novo trials. The only point in favour of the proposal is the alleged equalisation of the work; but as Nanjangud Court has more taluks than the other, this equilisation may not be kept up at all. Change of jurisdiction at such short intervals is also to be deprecated. Last year 2nd and 3rd Class cases of T. Narsipur were transferred to Nanjangud, and now the reverse is proposed. Similarly with regard to the 1st Class jurisdiction of practically all taluks. The necessary

files are kept below. In an indirect manner Mr. Puttaraj's work is commented upon, and a lighter charge proposed for him. Mr. Justice Plummer, recommended the transfer of 2nd & 3rd class cases of T. Narasipura to Nanjangud, as the magistrate at the latter place, had very light work.

A comparison of the figures also does not show that the work of the Courts will be equalised, though it may improve for the time, the existing state of affairs. Numbers do not give an adequate idea of the work. Nature of the cases ought to count also.

Giving 2nd & 3rd class cases to 2nd cls Magte is an uneconomical arrangement. I would suggest that no further changes in jurisdiction be made till the question of the reorganisation of the Spl Magte Scheme is settled
